

INTRODUCING ANNA

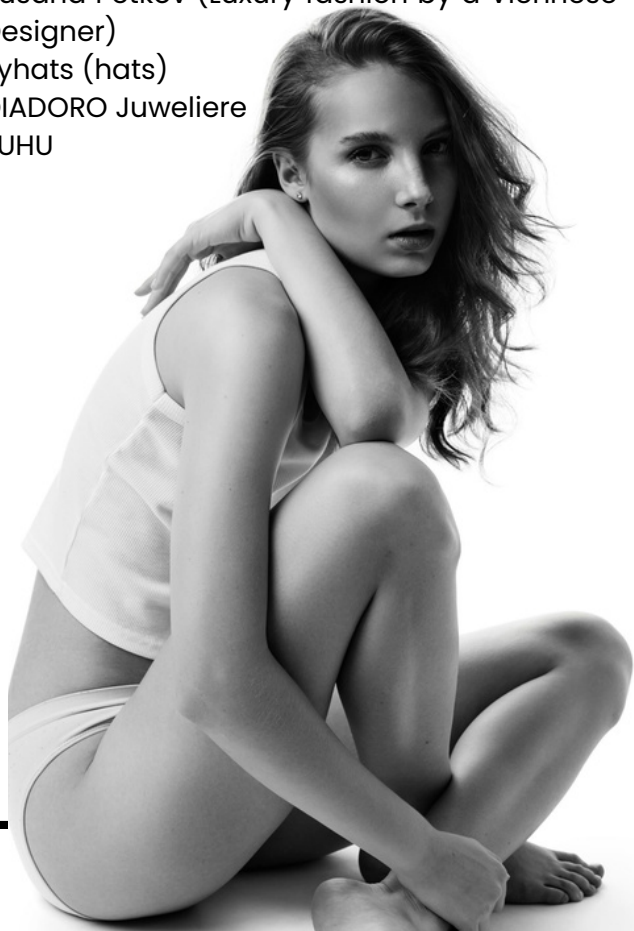

We are excited to introduce you to Anna. Despite her young age, 18-year-old Anna is already gaining experience as a model. She is creative, optimistic and confident that she will fulfil her dream of working as a professional model. Let's find out more about her, her experience and what inspires her.

·Thank you for joining us at Bmodel, Anna. Can you tell us a little about yourself?

Hi! My name is Anna and I am 18 years old. Currently I live in Austria, Vienna. I started modelling when I was just 14 years old. So, in these four years of modelling experience, I can say that I feel free standing in front of the camera and show different emotions. I also worked with a huge number of photographers and did different types of photoshoots like fashion, beauty, commercial, fantasy, street style, editorial.

·What brands have you worked with in the past?

BELLANEVA (Online-shop for clothes)
Susana Petkov (Luxury fashion by a Viennese Designer)
Zyhats (hats)
DIADORO Juweliere
JUHU

·What inspires you as a model?

My biggest inspiration are people who start from the bottom and get successful. People, who break all rules and their weakness without losing themselves and most important - humanity.

·Who is your favourite model and fashion designer?

I have many favourite models actually, so it is hard to say which one I like the most. Probably, Gigi Hadid, Romee Strijd and Elsa Hosk are my favourite ones.

My favourite designer is the iconic Coco Chanel.

·What are your hobbies or interests outside of modelling?

In my free time I like to do sports and read books. I also recently started photographing.

·What country do you like to visit / travel to?

I would like to travel in some parts of Asia because I am very interested in history and cultures, so it would be definitely something new for me but also of course to gain more experience in modelling. Apart from Asia, I would also like to travel to America.
