How does it work?

1. Sign up for the contest

Go to the [application form](#) and sign up for the competition.

Pay the **€450 sign up fee** to confirm your participation as a photographer.

After signing up you will receive details about payment deadlines and other terms.

2. Pack your gear and get on location

Alicante is among the sunniest locations in Europe. Our intention is to let models and photographers explore the city and pick a spot they like for their photo shoot.

Any beach, park, historic site, side walk, or building facade can be your backdrop.

We expect abundant light which will allow you to travel compact and bring only essential gear.

3. Submit your work and await the jury vote

You will receive a detailed program for the competition, including the allocated times for shooting sessions.

After the photo shoot, select your best photos and submit them for review.
